
What In On Earth Is Going On?
How Can We Prepare For The Future?

We are living during a time when people RIDICULE Bible Prophecy and especially the teaching of the coming of Christ . . .

This ridicule is understandable because of FALSE TEACHERS who claim they know the exact time of Jesus coming!

As a result of these foolish and false predictions, the teaching of the “rapture” is scorned and confused with the “end of the world.”

THE END IS NEAR
OPTIMIST.
WALL ST. TANKS AGAIN

THE WORLD WILL END Nov. 27

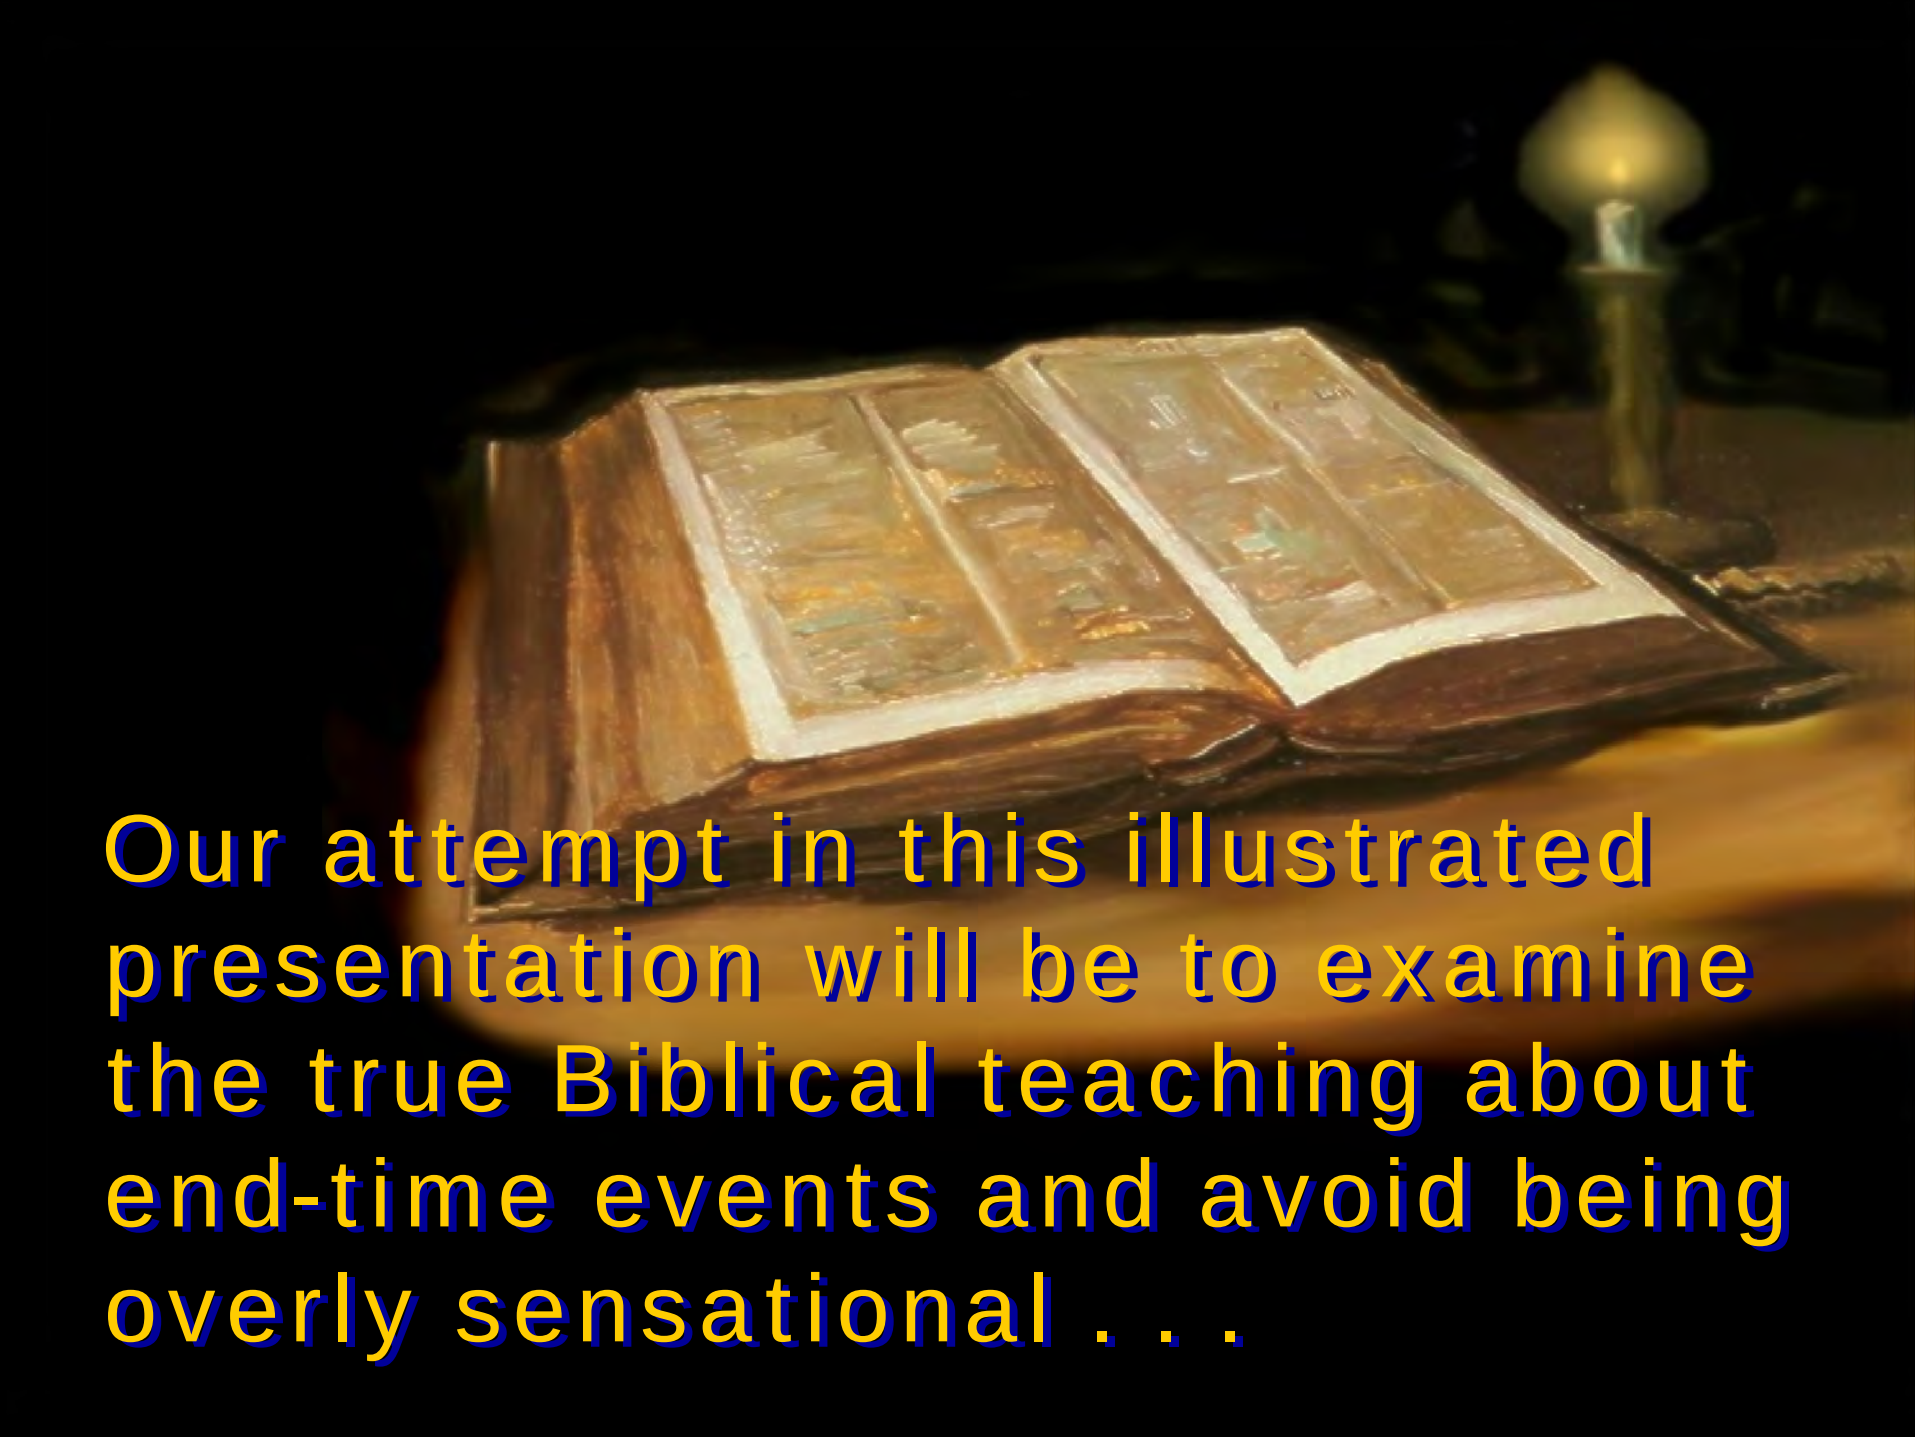

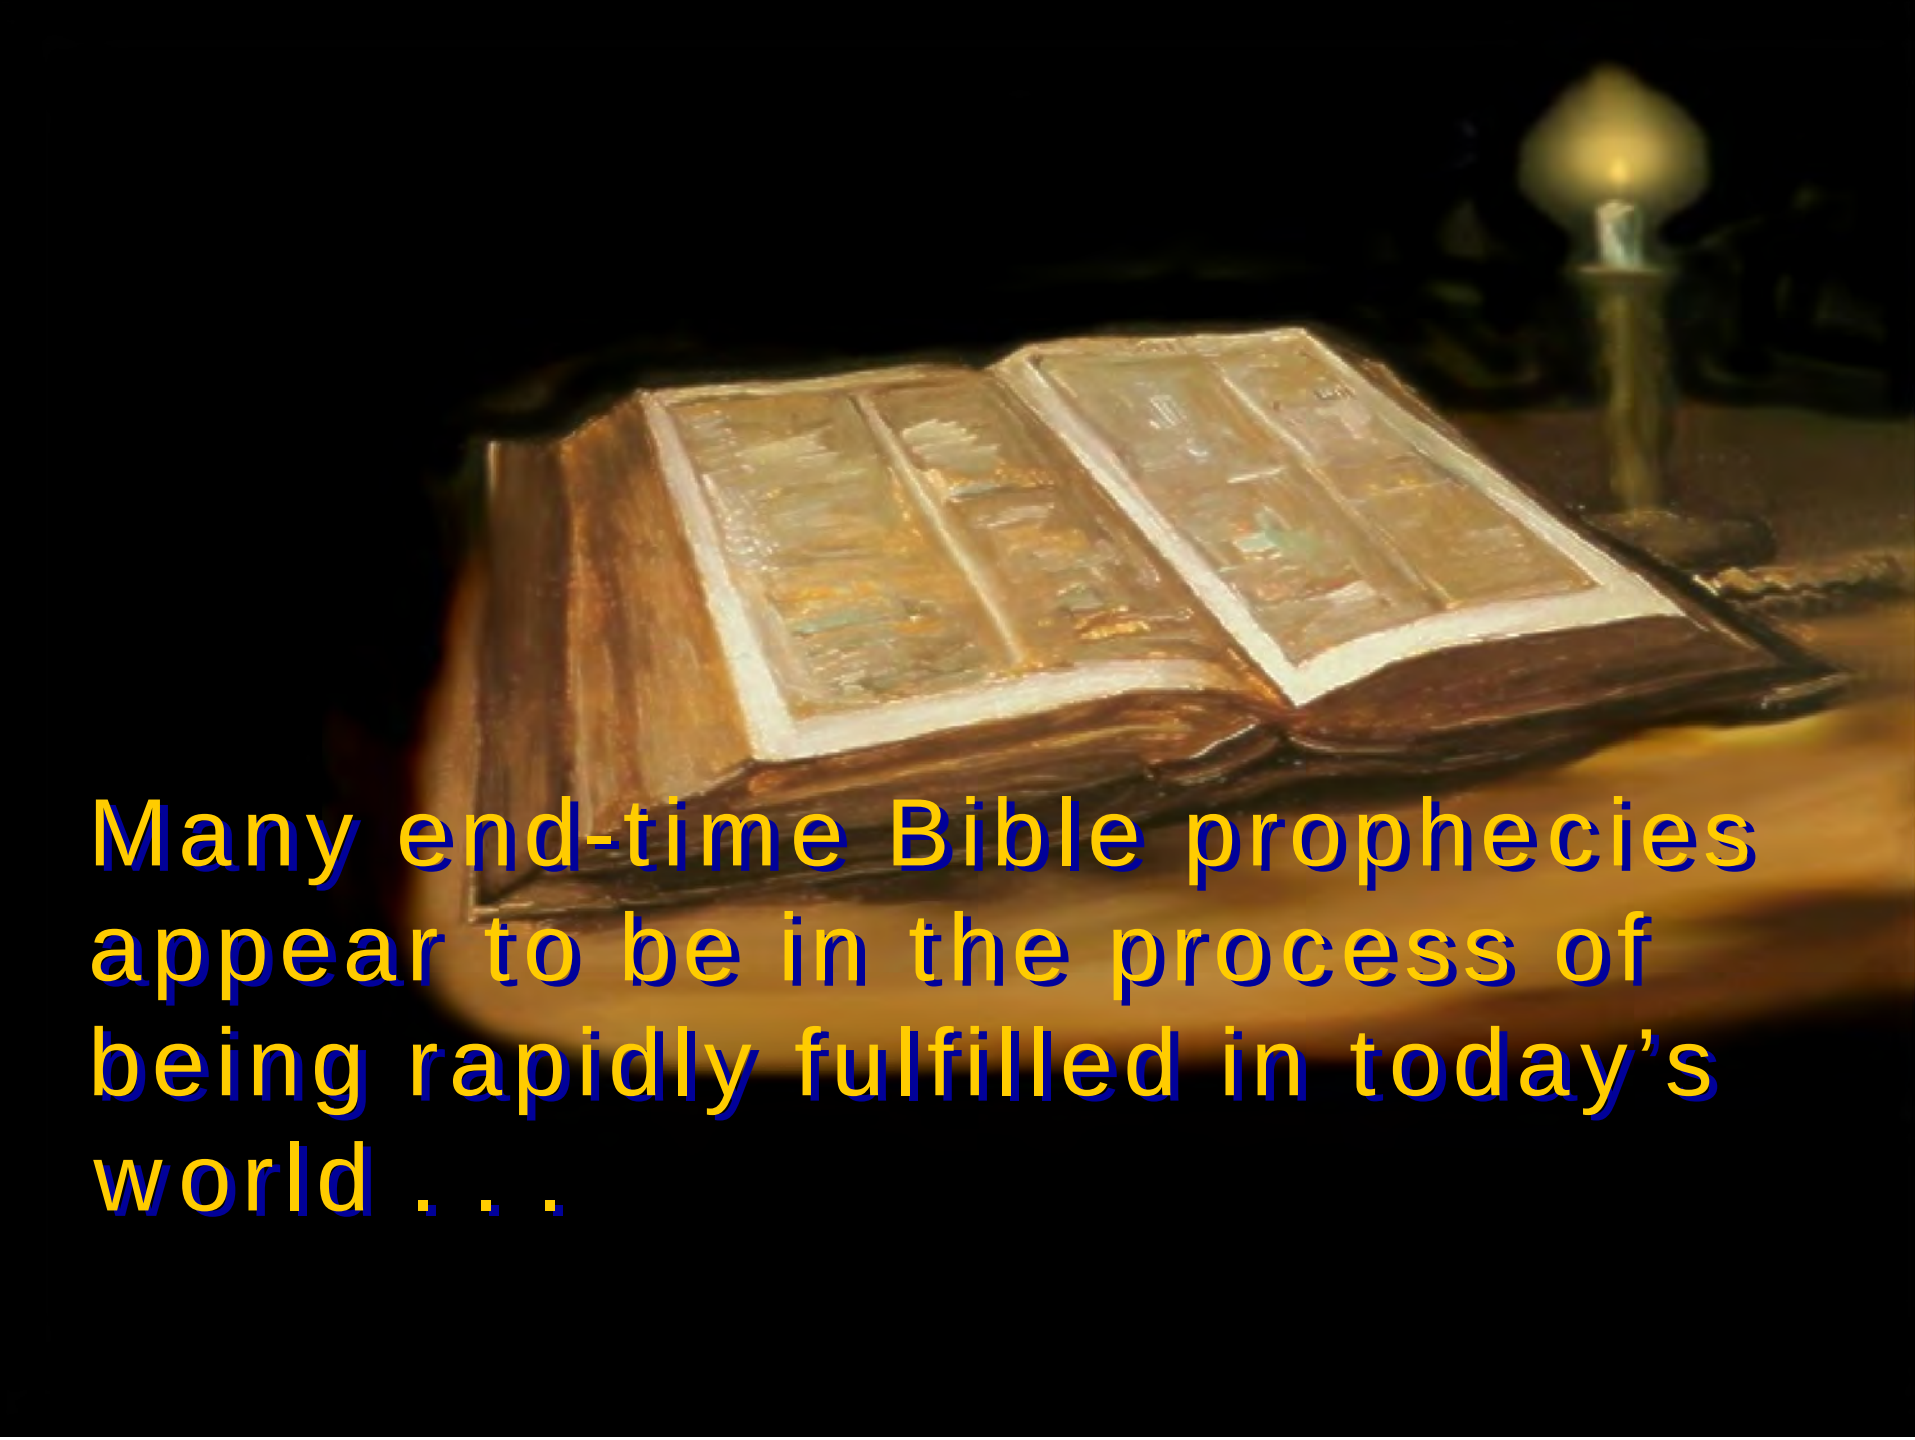

The Mayan calendar ended with 2012 so many people believe that the “end” must surely be near!

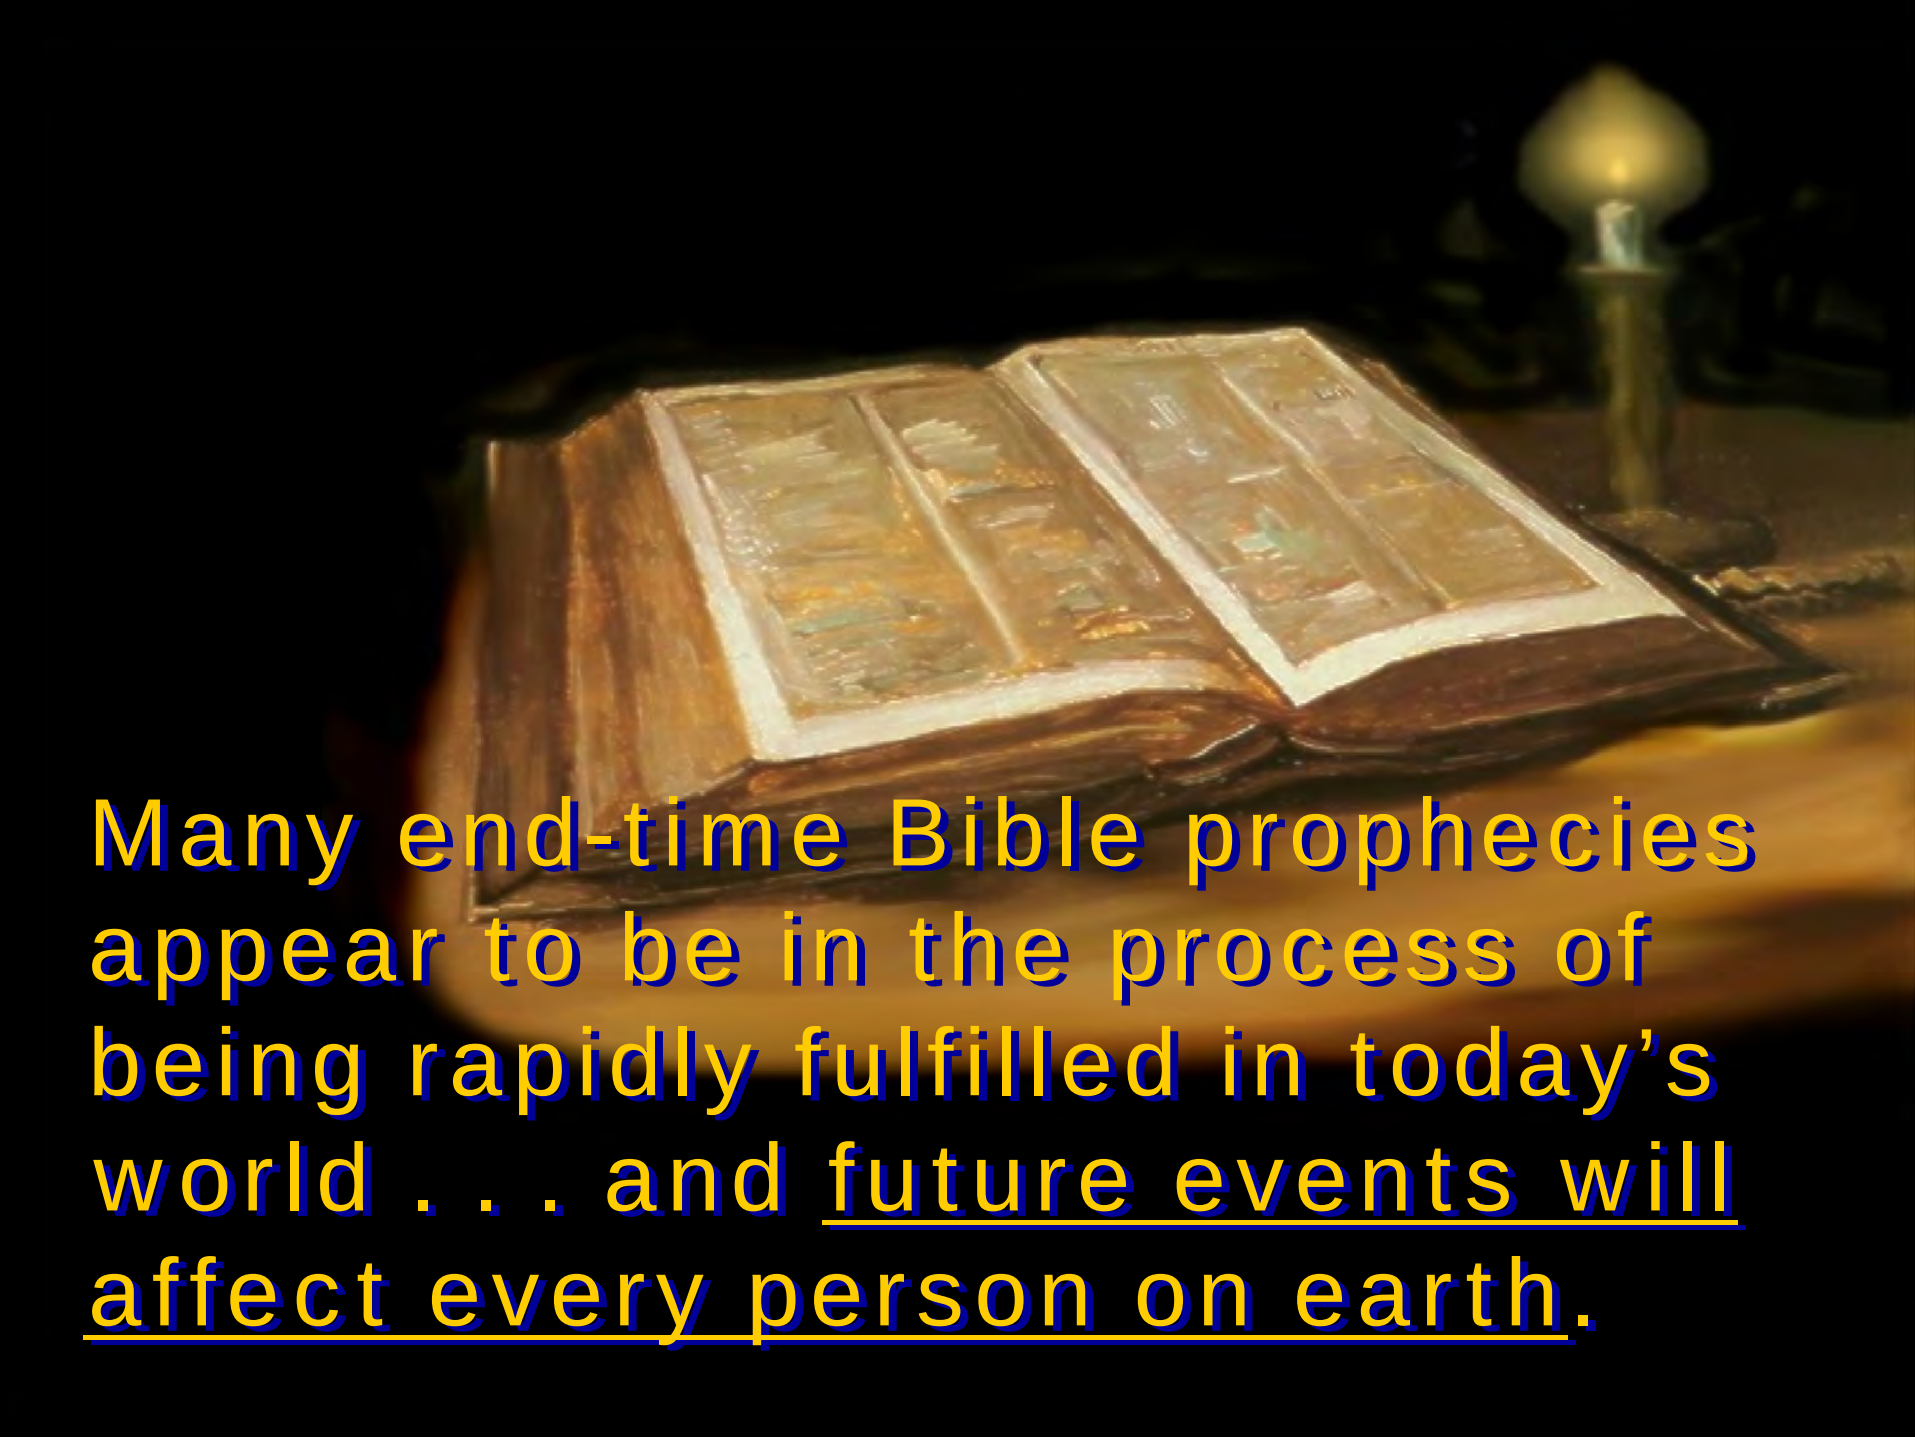

The fact is . . . Biblical prophecy does NOT teach that the end of the world is near!

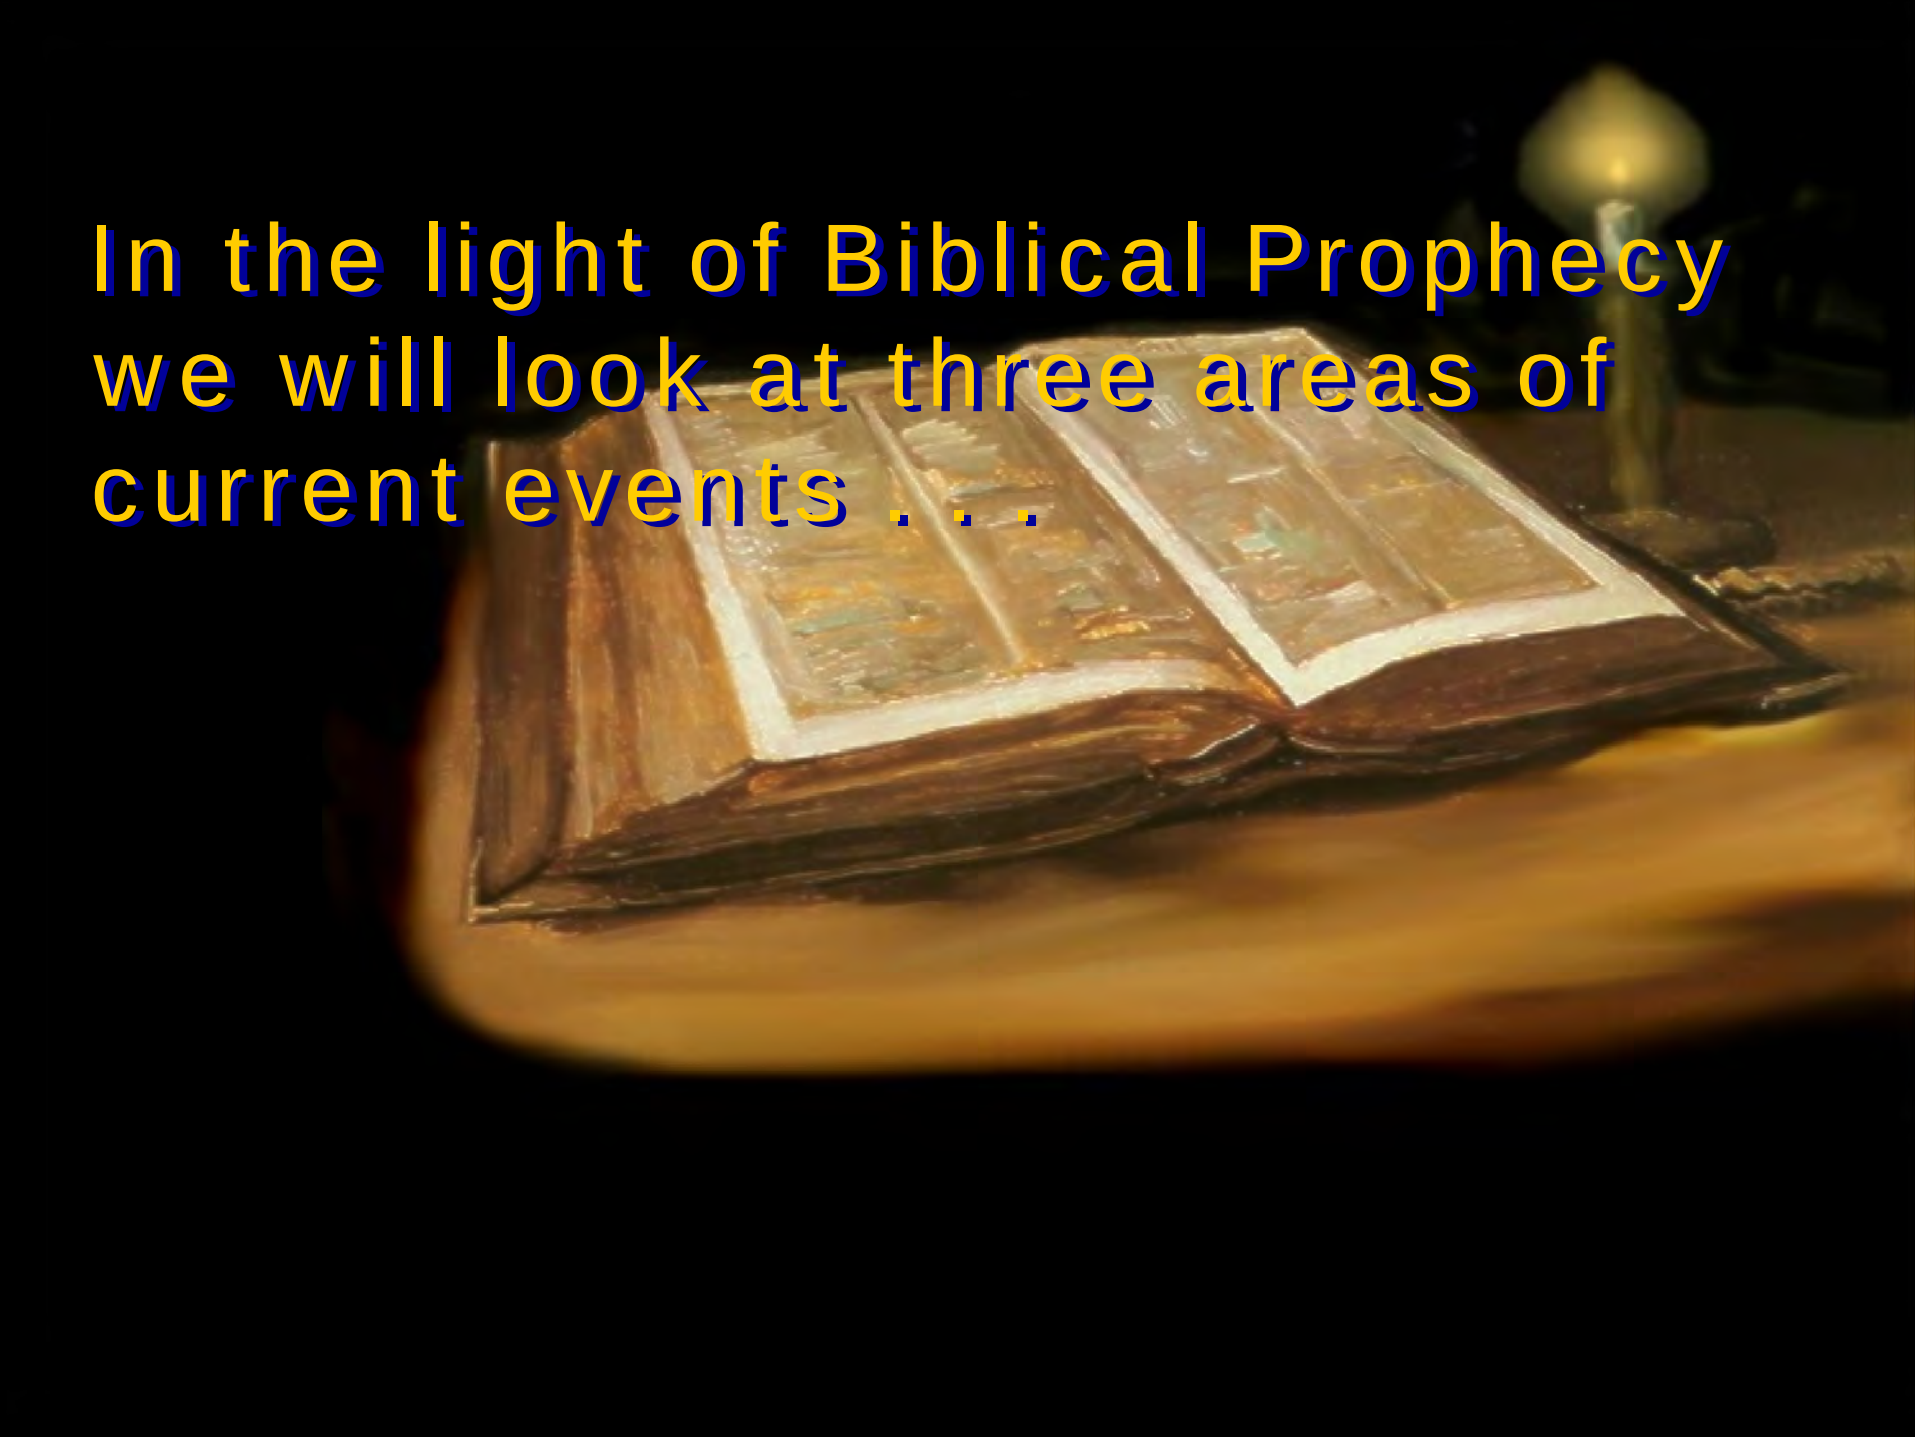

Our attempt in this illustrated presentation will be to examine the true Biblical teaching about end-time events and avoid being overly sensational . . .

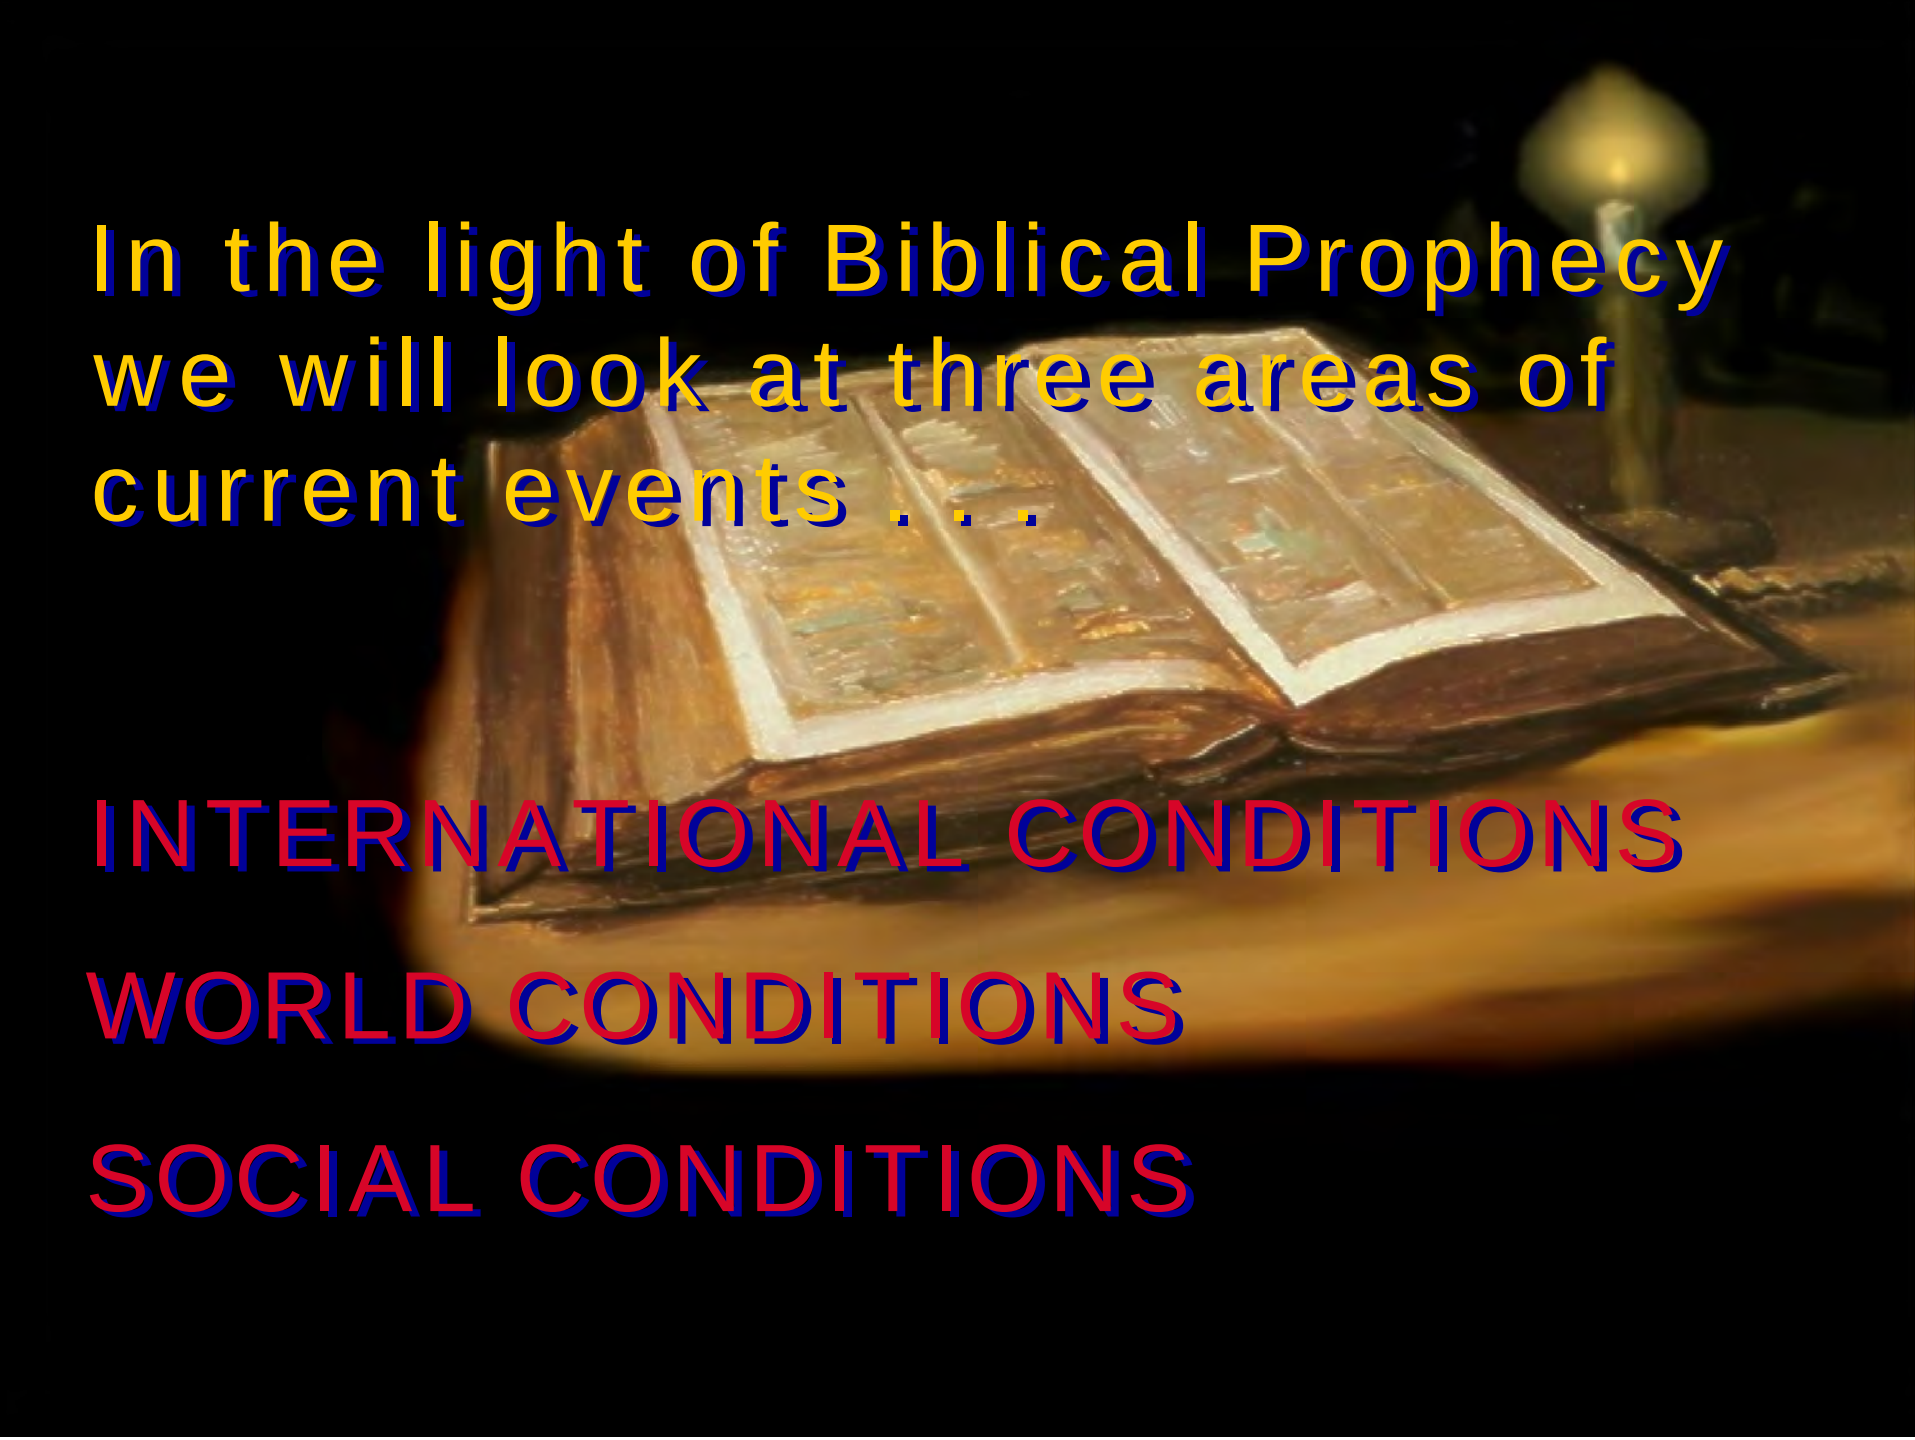

Many end-time Bible prophecies appear to be in the process of being rapidly fulfilled in today's world . . .

Many end-time Bible prophecies appear to be in the process of being rapidly fulfilled in today's world . . . and future events will affect every person on earth.

In the light of Biblical Prophecy we will look at three areas of current events . . .

All of the NATIONS listed in the prophetic scriptures as major players in the fulfillment of end-time prophecies are NOW IN PLACE!

1. The people of ISRAEL are once again occupying part of their God given land.

Their NATIONAL rebirth was prophesied in both the Old and New Testaments and will occur before their SPIRITUAL rebirth.

Note: Jesus said that the "generation" living at the time of Israel's national rebirth would not pass away until ALL of the end-time prophetic events would be fulfilled.

Most Bible scholars agree that a Biblical generation usually consists of approximately 40 years but Jesus could have been referring to a LONGER period of time . . .

. . . that the generation LIVING at the time of the rebirth of the nation of Israel WILL NOT DIE or PASS AWAY until the prophesied events are all fulfilled!

There are at least three reasons why the Jews must occupy their ancient homeland before many of the other end-time prophecies can be fulfilled:

a) The western world leader (Anti-Christ) will sign a PEACE COVENANT and guarantee safety to the Jews . . .

a) The western world leader (Anti-Christ) will sign a PEACE COVENANT and guarantee safety to the Jews . . . this covenant will be BROKEN half way through the Tribulation.

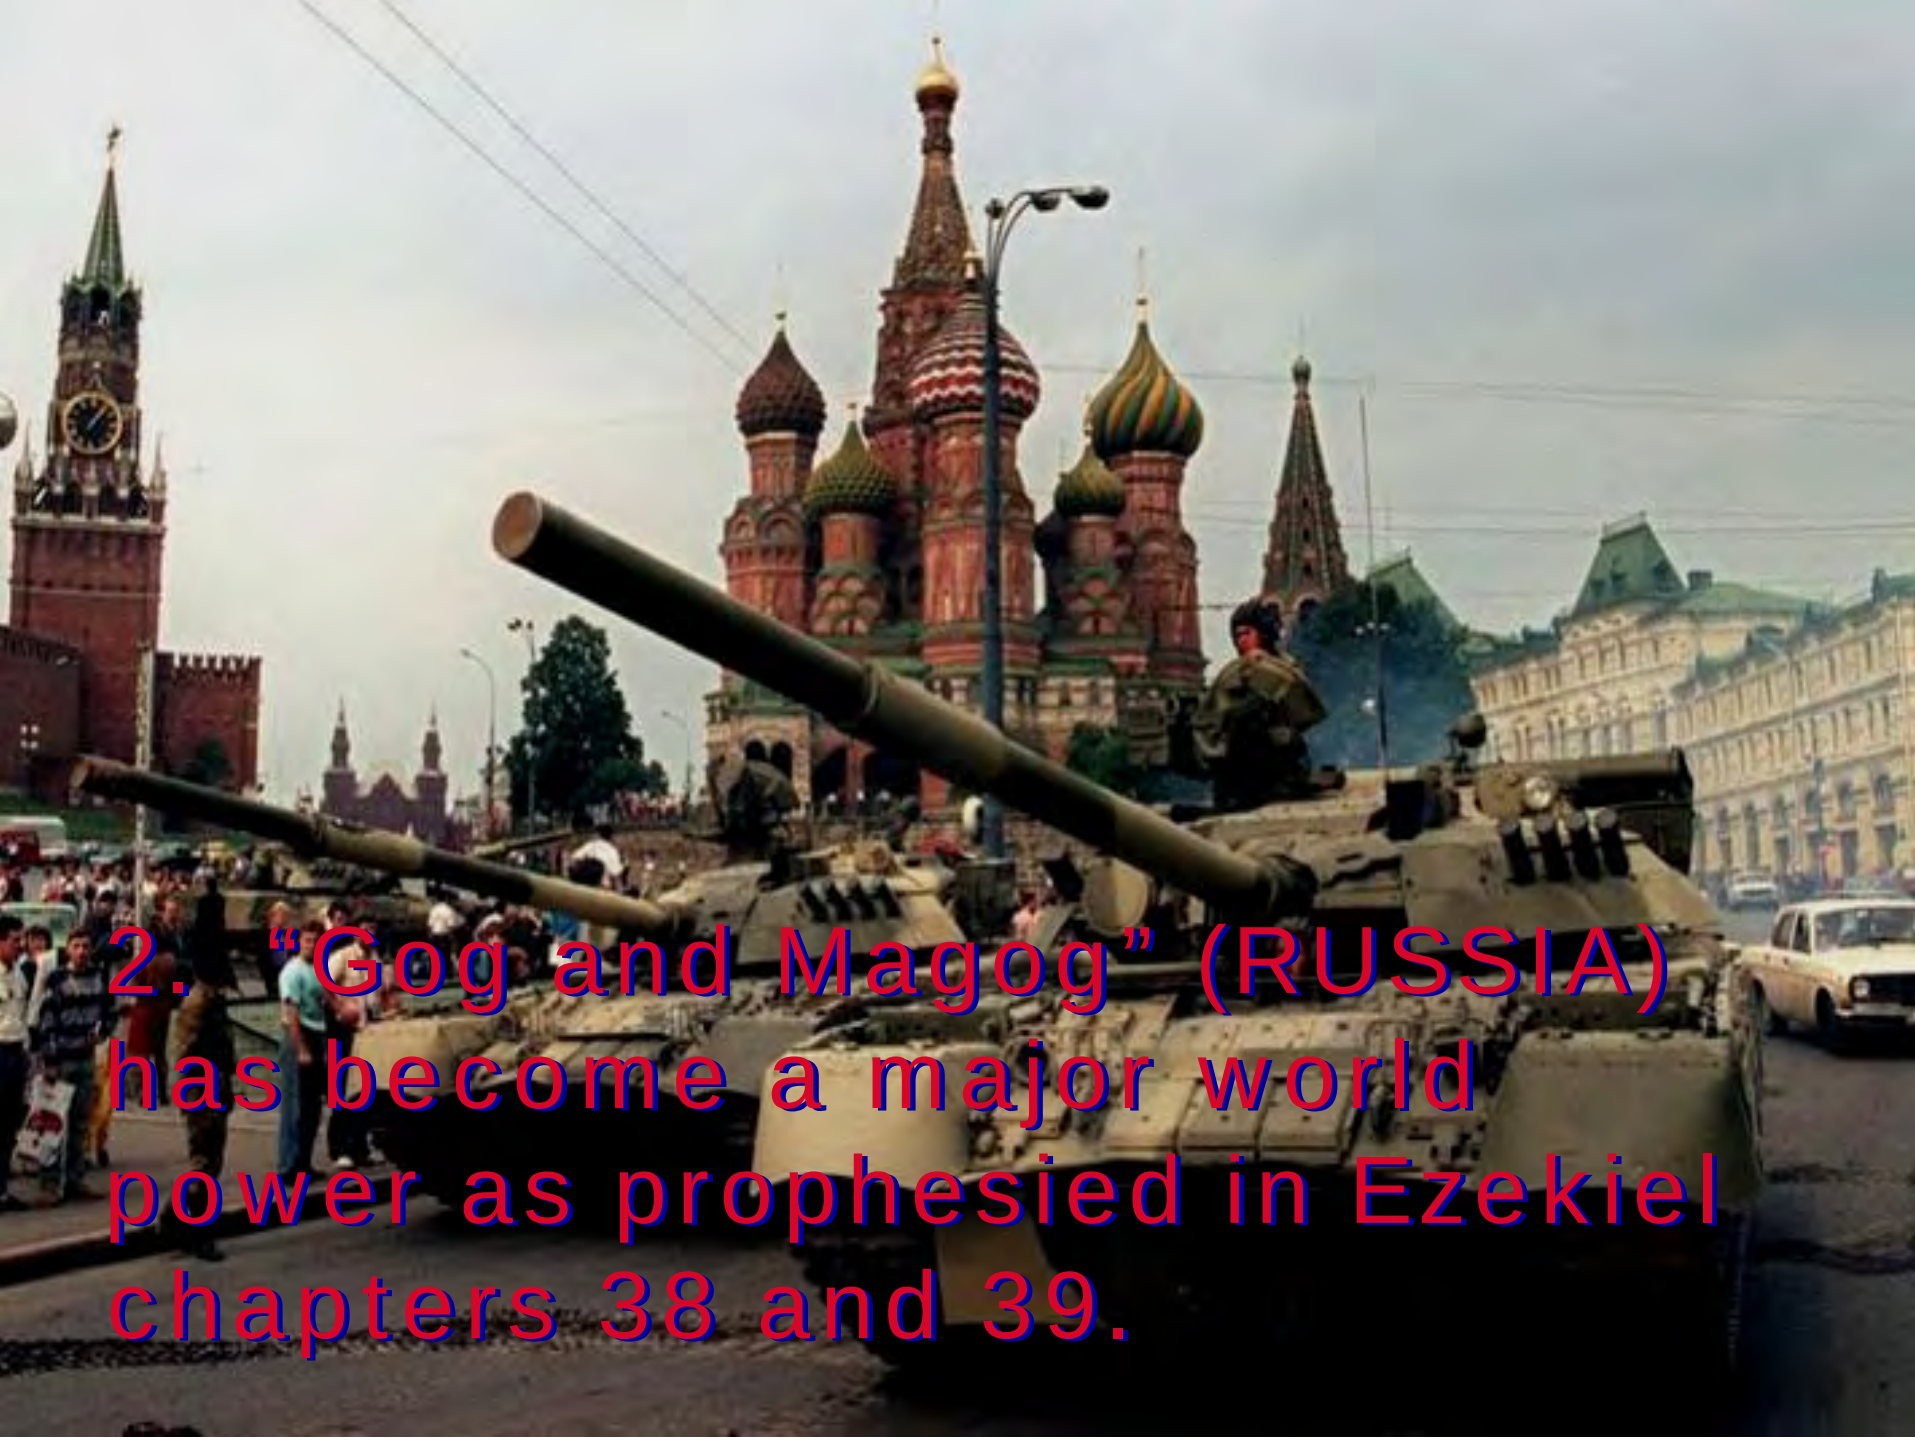

b) The Tribulation TEMPLE must be rebuilt and the Old Testament sacrifices once again initiated . .

b) The Tribulation TEMPLE must be rebuilt and the Old Testament sacrifices once again initiated . . Anti-Christ will desecrate this Temple and demand that people everywhere WORSHIP him.

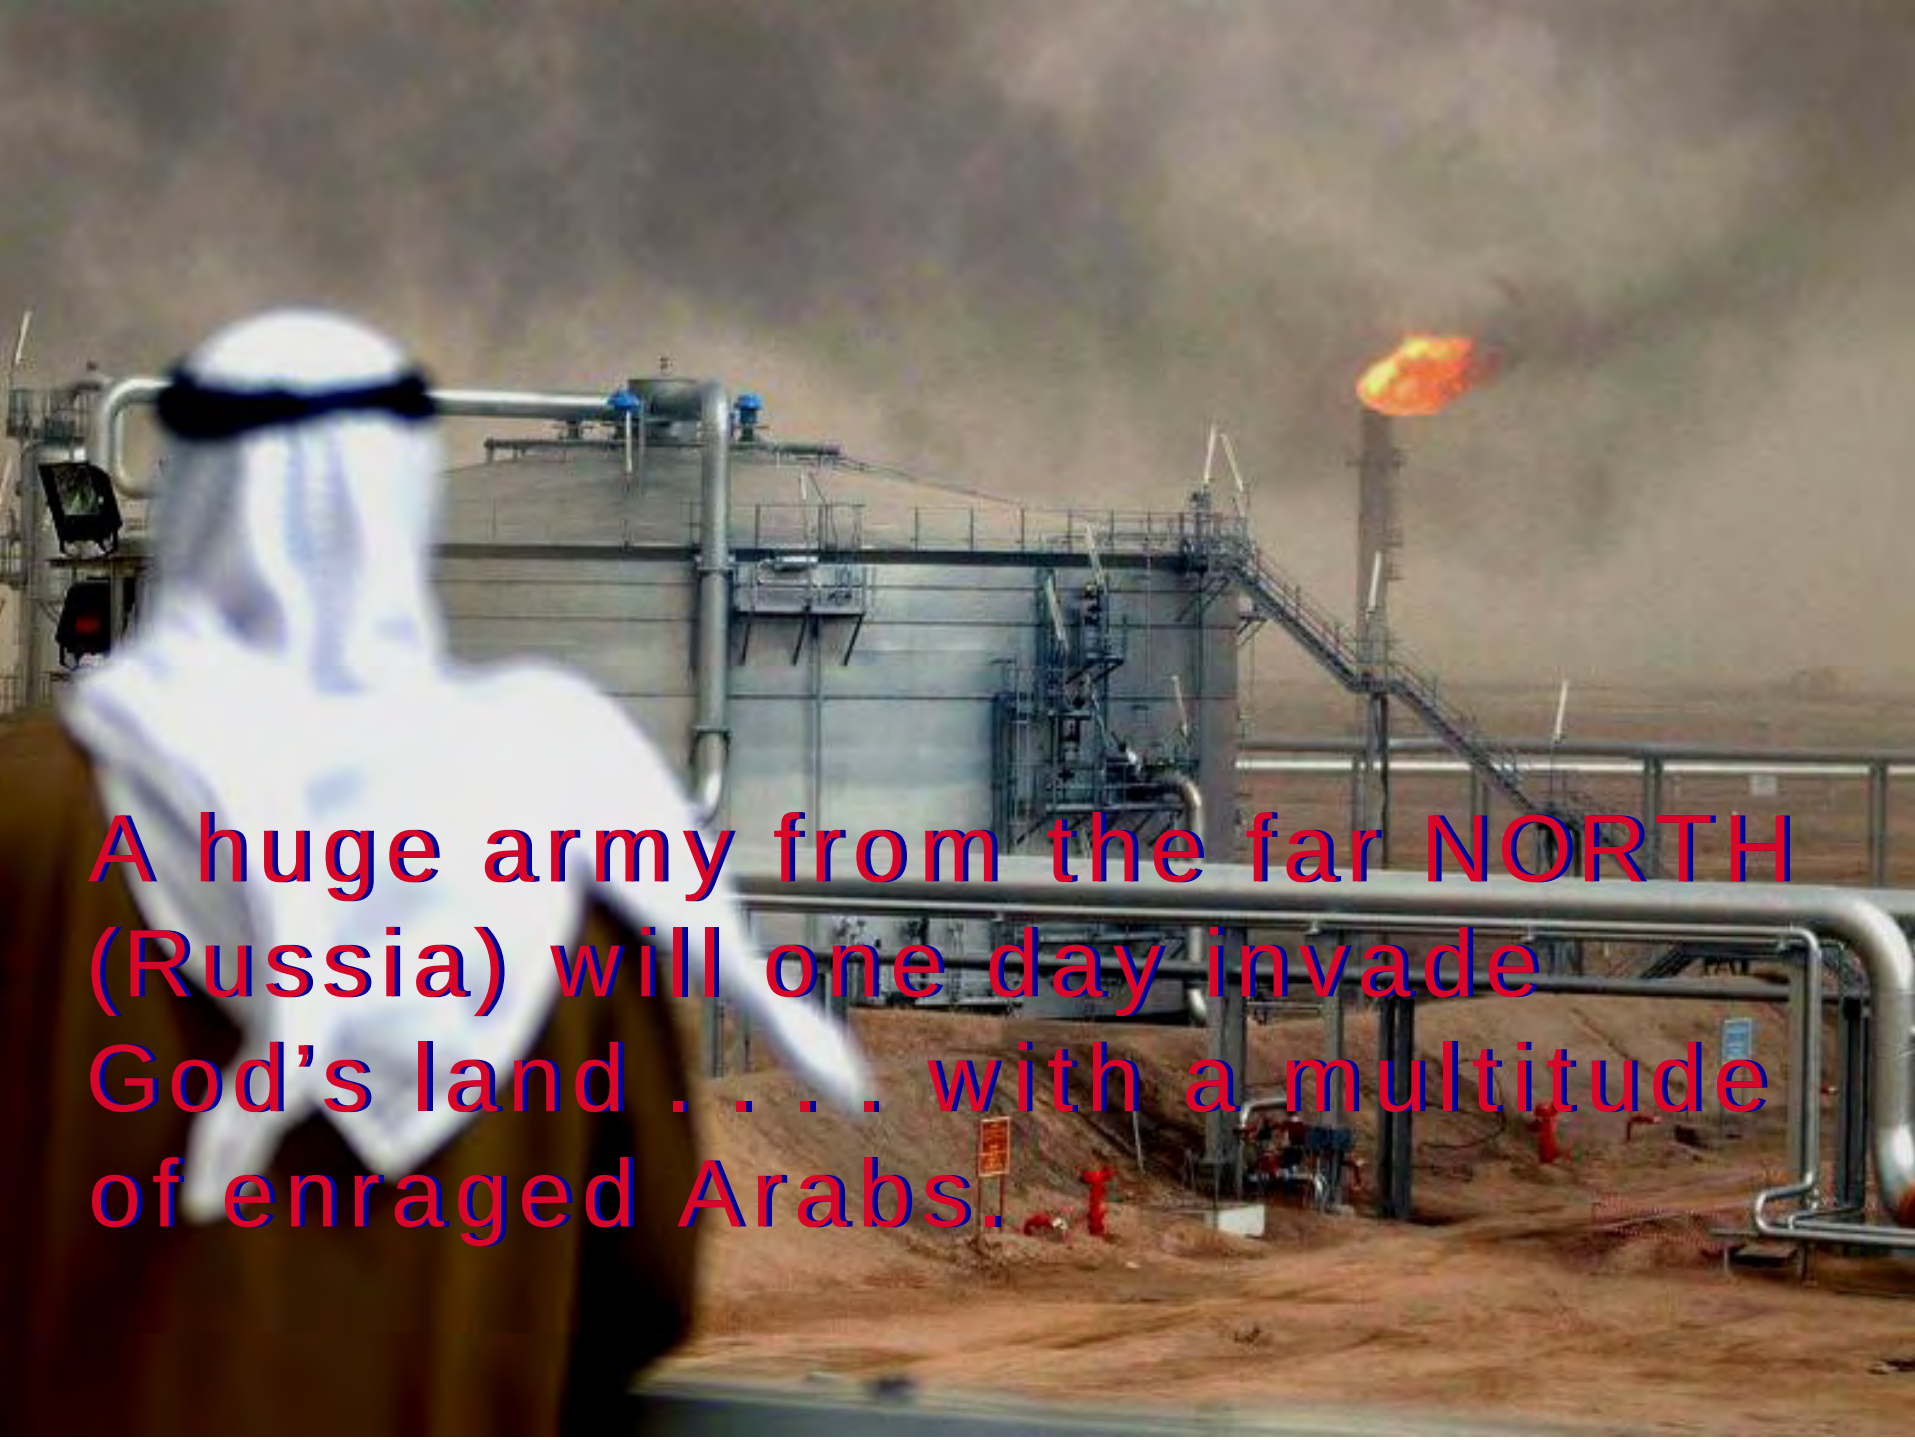

c) The Bible describes a horrific war that will be ignited in the land of Israel . . . this conflict is NOT Armageddon but occurs 7 years earlier at the BEGINNING of the Tribulation . . .

2. “Gog and Magog” (RUSSIA) has become a major world power as prophesied in Ezekiel chapters 38 and 39.

World-wide dependence upon
OIL is making the Middle East
one of the most important
regions upon earth.

A huge army from the far NORTH (Russia) will one day invade God's land . . . . with a multitude of enraged Arabs. . .

Something will enflame the Arab nations to join Russia in a fanatical assault against the nation of Israel.

Something could happen to the Dome of the Rock in Jerusalem. Israeli soldiers are protecting this Muslim holy site against both Jewish and Arab extremists.

Any Jewish attempt to build the Third Temple on the site of the Dome of the Rock could ignite an incredible war in the Middle East!

Iran's attempt to build a nuclear bomb will undoubtedly lead to a military strike from Israel and this could also fuel a huge Muslim reaction and attempt to destroy the modern nation of Israel.

The intense Muslim hatred for Israel and the United States has been demonstrated time after time including the recent killing of the American ambassador to Libya.

Despite all the Islamic rhetoric that Israel has no claim to the land, Genesis 15:18 states that God had given all of the land from the River Egypt to the Euphrates River to Abraham and his descendents through Isaac.

Much of this vast area was once under the control of Israel under King David and King Solomon!

The Scriptures indicate that the Russian & Islamic hordes will be DESTROYED as they attempt to cross the Jordan River, and their burial place will be just east of present day Israel in a valley that will be called Hamon Gog (Burial Place of Gog). Ezekiel chapters 38 & 39

Note: According to Ezekiel 39:6 the homelands of Russia and another nation "beyond the sea" will be destroyed by fire when Russia invades the lands of Israel.

The Bible even describes the destruction of an end-time nation IN ONE HOUR! Revelation chapter 18
